The licensee confirms that there have been no material changes to the licensed premises since issuance of the current license, except those changes approved by the City of Chicago. The Licensee has not accepted, received, or borrowed money or anything else of value, directly or indirectly, from any manufacturer or distributor of automatic amusement devices. The licensee has committed no act, nor omitted performing any act required by law to be performed which disqualified the licensee from being issued a city retailer's license for the sale of alcoholic liquor at the subject premises.

The licensee attests that any material misrepresentation or omission of any fact requested in this License Renewal Application shall constitute good and sufficient cause for the City of Chicago to deny this license Renewal Application and/or revoke or suspend any license issued to licensee. Further, any false statement or misrepresentation of any material fact is punishable by a civil penalty of not less than \$500 and not more than \$1000 plus three times damages sustained by the City.

Please be informed that your signature authorizes the City of Chicago to collect outstanding payments and penalty fees from your checking account when payments by check are not distributed by your bank due to non-sufficient funds.

Licensee certifies that the answers to the questions in the original application, unless the City of Chicago has been notified otherwise, are still true and correct and are hereby reaffirmed. Licensee certifies that he/she understands that any material misrepresentation or omission of any fact in the application shall constitute good and sufficient cause for denial of this License Renewal Application and / or revocation of suspension of any license issued. Licensee certifies that the current ownership information has not changed and remains true to the original application as indicated in name and title on this License Renewal Application.

Each person whose name appears below states that he or she has read the forgoing License Renewal Application and that the statements contained therein are true and that he or she is authorized by the business entity to sign this renewal application. Please note, after the expiration date, a late renewal penalty will be assessed of \$25 per license, or 25% of each license renewal fee, whichever is greater. Payment of License Renewal Application fee alone, does not entitle applicants to renew their license privileges. License renewal applicants must satisfy all renewal requirements for each license type that is being renewed, including requirements to release holds, applicable document requirements and applicable inspection requirements.
